Reg. No. 250

Reference is invited to para(3) of G.O. No. 5771-830/C.R.B.5-26-1 dated 10th June 1927 regarding revised rules for the guidance of appointment officers, which lay down that the entire Department should be taken as a unit for the purpose of filling up vacancies and determining the method of their disposal. The Railway Department consists of Secretariat, Agency, Traffic, Loco, Engineering, Stores and Audit Departments. As Audit Department is a part of the Finance Department, I do not think we can include it in the Railway Department, for the purpose of filling up of vacancies. I would suggest that each Railway Department, which is under a responsible head and where work is of different nature, be taken as a separate unit for this purpose. Of course vacancies, which require technical knowledge will be filled up in accordance with G.O. No. 1712-13 dated 7th March 1925.
